

Lap Lane Options are Expanding Starting Saturday, April 17th

Option 1) You can continue to book a 30-minute lane space each day and be guaranteed your own lane in the 3.5, 4, 4.5, and 7 foot lanes.

Option 2) If you are willing to share the lane with one other person, you can now reserve lanes 5 and 6 for two 30-minute sessions each day.

Sharing a lane is simple:

- 1) When signing up for a lane, you will now sign up for a specific lane (5 feet or 6 feet) depth and a specific lane side (A or B).
- 2) If you wish to swim for up to an hour you will need to reserve two 30 minute slots.
- 3) You will get in and out at your designated end of the pool. You will also rest between laps at your designated end (see diagram below).
- 4) Even though there will be no physical barrier between you and the person you are sharing the lane with, you will swim on the same side of the lane for your entire swim.
