

Health Unlimited's "Be A Swimmer"

2025 Group Lesson Schedule

Classes are 40 minutes each, and meet 1x per week for 6 weeks

April 5th – May 22nd (No Class April 16th – April 22nd)

Member Registration: Monday, March 10th

Non-Member Registration: Monday, March 17th

Registration begins at 8am at Health Unlimited or online at www.myhealthunlimited.com

Lesson Fees: Member: \$59.50 Nonmember: \$119

Cancellations: Health Unlimited may consolidate, or cancel a class if registration is insufficient. A full refund will be given should the class be cancelled.

Coming and Going: Entering and exiting for all swim lessons must be made through the **front door only** at all times. Parents or guardians of children under the age of 12 **must** remain in the Health Unlimited building **at all times**. Parents of children under the age of 7 must remain in the pool area.

Withdrawal Policy: If a student withdraws from a class at least 7 days prior to the start of the class, a credit or refund will be given. If notification is given less than 7 days prior to the start of a class, a refund will only be given if we are able to fill the vacancy. A \$15 processing fee will be deducted from all refunds. No refunds will be given once the class has started.

Make-up Classes: No make-ups or refunds for missed classes will be provided for any reason. Classes that are cancelled by Health Unlimited will be rescheduled or additional time may be added to remaining classes.

Expectations: Swimming is an activity that requires lots of practice. In most cases, parents should expect their swimmer to repeat the level they are currently in, at least a couple of times, until the key skills of that level are mastered.

Capacities: Health Unlimited may increase a class size to ensure swimmers are in the correct class in special cases once the session begins.

Swim Attire: Swimming goggles are recommended. Students should wear comfortable, tight-fitting swimsuits. Rash guard shirts are **not advised** to wear in the water. It makes swimming harder by causing drag, restricting arm movements, retaining water, and makes the swimmer colder. Long hair should be pulled back in ponytail or worn in a swim cap.

By registering for a class, you have read, acknowledged, and agree to procedures and policies of Health Unlimited.
